(SUPERVISORIAL DISTRICTS 1, 4, AND 5)  
(3 VOTES)**

### SUBJECT

This action is to proceed with the annexation of territories to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and levying of assessments on benefited properties within these territories.

### **IT IS RECOMMENDED THAT YOUR BOARD:**

1. Approve the Engineer's Reports for Petition Nos. 109-806, 58-407, 160-1206, 1-107, 54-407, 118-807, and 43-307, either as filed or as modified, regarding the annexation of territories to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and levying of assessments within the annexed territories for street lighting purposes. The proposed annexation areas are located in the unincorporated communities of Valinda, South Whittier, Hacienda Heights, La Crescenta, and Gorman.

2. Adopt the Resolution of Intention to Annex Territories to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and Order the Levying of Assessments within the Annexed Territories for Fiscal Year 2009-10.
3. Set a date for a public hearing regarding the proposed annexations and levying of annual assessments within the annexed territories for street lighting purposes, with a base-assessment rate of \$5 for a single-family residence within County Lighting District LLA-1, Unincorporated Zone, for Fiscal Year 2009-10.
4. Instruct the Executive Officer of the Board to cause notice of the public hearing by mail at least 45 days prior to the date of hearing scheduled for Tuesday, \_\_\_\_\_, pursuant to Section 53753 of the Government Code. The mailed notice will include assessment ballots.
5. Instruct the Executive Officer of the Board to cause notice of the public hearing to be posted in three conspicuous places within the territories to be annexed and to publish the notice of public hearing once a week for two successive weeks in a newspaper of general circulation. Such posting and publication to be completed at least 10 days prior to the date of hearing, pursuant to Section 5838 of the California Streets and Highways Code.

**AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT YOUR BOARD:**

1. Find that the annexations and assessments are for the purpose of meeting operating expenses; purchasing supplies, equipment, or materials; meeting financial reserve needs and requirements; and obtaining funds for capital projects, including the installation, operation, and maintenance of street lights, necessary to maintain service within the areas proposed for annexation, and are, therefore, exempt from the requirements under the California Environmental Quality Act.
2. Order changes, if needed, in any of the matters provided in the Engineer's Reports, including changes in the improvements, the proposed diagrams, or the proposed assessments.
3. Order the tabulation of assessment ballots submitted, and not withdrawn, in support of or opposition to the proposed assessment.

4. Determine whether a majority protest against the proposed annexations or assessments exists.
5. Make a finding terminating the annexation, the levying of assessments, and the property tax transfer proceedings in those petition territories where there has been a majority protest to the assessments, and refer the matter back to the Department of Public Works.
6. If there is no majority protest against the proposed assessments, adopt the Resolution Ordering Annexation of Territories to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, Confirming a Diagram and Assessment, and Levying of Assessments within the Annexed Territories for Fiscal Year 2009-10 either as proposed or as modified by your Board. The adoption of the Resolution Ordering Annexation will constitute the levying of assessments in Fiscal Year 2009-10.
7. Adopt the Joint Resolutions between your Board and other taxing agencies, Approving and Accepting the Negotiated Exchange of Property Tax Revenues resulting from the annexation of these territories to County Lighting Maintenance District 1687, as approved by the nonexempt taxing agencies.

#### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of the recommended actions is for your Board to annex the territories known as Petition Nos. 109-806 (Cadwell Street), 58-407 (Telechron Avenue), 160-1206 (Syracuse Street et al.), 1-107 (Anola Street), 54-407 (Galemont Avenue), 118-807 (Ramsdell Avenue et al.), and 43-307 (Gorman Post Road) to County Lighting Maintenance District 1687 (CLMD 1687) and County Lighting District LLA-1 (CLD LLA-1), Unincorporated Zone; to levy assessments for Fiscal Year 2009-10 on the benefited properties within the annexed territories for street lighting purposes; and to approve the exchange of property tax revenues among those nonexempt agencies whose service areas are subject to the jurisdictional change.

#### **Implementation of Strategic Plan Goals**

The Countywide Strategic Plan directs the provision of Fiscal Responsibility (Goal 4) by performing the annexation, levying of assessments, and property tax transfer for the funding necessary for the operation and maintenance of new street lighting facilities

within these annexed territories. In addition, this action is consistent with Community Services (Goal 6) by improving the quality of life for residents in the community.

### **FISCAL IMPACT/FINANCING**

Sufficient funds are included in the Fiscal Year 2008-09 budget for CLMD 1687 and CLD LLA-1, Unincorporated Zone, to fund the annual costs for the operation and maintenance of the street lights within these petition areas, should operation and maintenance charges estimated at \$18,736 be incurred prior to the end of Fiscal Year 2008-09.

In subsequent years, the ongoing operation and maintenance costs of the street lights within these annexed territories will be funded by the District's share of ad valorem property taxes and supplemented by assessments, annually approved by your Board, from property owners within these annexed territories. The proposed annexations will result in a minimal property tax growth transfer from the affected taxing entities including the Los Angeles County General Fund, the Los Angeles County Library, the Los Angeles County Road Maintenance District Nos. 1, 4, and 5, the Consolidated Fire Protection District of Los Angeles County, and the Los Angeles County Flood Control District.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

Your Board previously approved and filed Petition Nos. 109-806, 58-407, 160-1206, 1-107, 54-407, 118-807, and 43-307, and adopted a Resolution Initiating Proceedings to annex the territories to CLMD 1687 and CLD LLA-1, Unincorporated Zone, and ordered the Department of Public Works (Public Works) to prepare and file an Engineer's Report for each petitioned area. The attached Engineer's Reports were prepared in response to that directive.

Under Government Code Section 53753, it is necessary to follow the procedures for levying of assessments previously authorized by your Board, including the distribution, receipt, and tabulation of ballots at a public hearing. Ballots will be mailed to each property owner within the annexation areas. The assessment will only be levied if the weighted majority of ballots returned are in favor of the assessment.

The attached Resolution of Intention must be adopted to set a date for the required public hearing. Your Board, at the close of the public hearing, may delay its determination regarding the annexations and levying of assessments until a later date, continue the public hearing to receive further testimony, or make a determination regarding the annexation and assessment.

Section 99.01 (a)(4) of the California Revenue and Taxation Code provides that affected agencies must approve and accept the negotiated exchange of property tax revenues by resolution. The Joint Resolutions Approving and Accepting the Exchange of Property Tax Revenues have been approved by nonexempt taxing agencies, and are attached for your consideration.

The boundaries of the proposed annexations have been reviewed and approved by Public Works and the County Assessor in accordance with the requirements of Section 58850 et seq. of the Government Code and are on file with Public Works. A copy of the diagram showing the boundaries of each proposed annexation area is attached to the Engineer's Report prepared for each petitioned area. Following your Board's approval of the resolution for the annexations, levying of assessments, and exchange of property tax revenues, Public Works will file with the State Board of Equalization the statement of boundary changes as required by Section 54990 et seq. of the Government Code.

The attached resolutions have been approved as to form by County Counsel.

#### **ENVIRONMENTAL DOCUMENTATION**

On July 17, 2007 (Petition No. 160-1206), October 2, 2007 (Petition Nos. 109-806, 1-107, 43-307, and 54-407), April 01, 2008 (Petition No. 118-807), and May 6, 2008 (Petition No. 58-407), your Board determined that these projects are categorically exempt from the provisions of the California Environmental Quality Act (CEQA) in that it meets the criteria set forth in Section 15301 of the State CEQA Guidelines and Class 1(x)27 of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G.

#### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The annexation of territories to CLMD 1687 and CLD LLA-1, Unincorporated Zone, will result in street lighting for these areas and will have no impact on other services or projects.

The Honorable Board of Supervisors

**CONCLUSION**

Please return one adopted copy of this letter and the signed resolutions to the Department of Public Works, Traffic and Lighting Division. Also, please forward one adopted copy of the letter and resolutions to the County Assessor, Ownership Services Section (Attention Angela Gadsden); and to the Auditor-Controller, Tax Division (Attention Kelvin Aikens).

Respectfully submitted,

**COUNTY OF LOS ANGELES  
DEPARTMENT OF PUBLIC WORKS  
ENGINEER'S REPORT  
PETITION NO. 109-806  
(CADWELL STREET)**

On October 2, 2007, the Los Angeles County Board of Supervisors adopted a Resolution Initiating Proceedings for the annexation of territory to County Lighting Maintenance District (CLMD) 1687 and County Lighting District LLA-1 (CLD LLA-1), Unincorporated Zone, pursuant to the California Streets and Highways Code Landscaping and Lighting Act of 1972, for the purpose of providing for the cost of operating and maintaining street lights on existing wood poles within the territory proposed for annexation, as shown on the diagram, plan and specifications attached hereto. In addition, the Department of Public Works was ordered to prepare and file an Engineer's Report in accordance with Section 22565 et seq. of the California Streets and Highways Code and Article XIII D, Section 4(b) of the California Constitution. This report was prepared in response to that directive.

The Puente Hills Community Enhancement and Benefit Fund will finance the estimated \$65,000 costs for the installation of the 13 street lights on concrete poles and overhead wiring within Petition No. 109-806. The annual operating cost of \$1,654 for the 13-9,500 lumen high pressure sodium vapor street lights will be funded by CLMD 1687 and CLD LLA-1, Unincorporated Zone. An annual assessment for the operation and maintenance of the street lights of \$5 per parcel for a single-family home, with proportionately higher assessments for other land uses, based on the approved Fiscal Year 2008-09 Annual Engineer's Report for CLD LLA-1 is proposed to be added to the Fiscal Year 2009-10 tax bill of property owners whose parcels lie within the boundaries of Petition No. 109-806. Each year thereafter, an annual assessment for the operation and maintenance costs of the street lights, approved by the County of Los Angeles Board of Supervisors, will be added to the property tax bill.

With the passage of Proposition 218 (the Right to Vote on Taxes Act) by the California voters in November 1996, the levying of an assessment is now subject to certain provisions under Article XIII D of the California Constitution. This report conforms with the applicable provisions of Proposition 218.

CLMD 1687 is an established Street Lighting District and was fully funded from ad valorem property taxes prior to the passage of Proposition 13 (The People's Initiative to Limit property Taxation) in 1978, which limited the maximum amount of ad valorem tax on real property. The ad valorem property taxes received under the guidelines established by the State Legislature subsequent to the passage of this amendment are not sufficient to pay the cost of street lighting in the District. Therefore, CLD LLA-1 was formed under the Landscaping and Lighting Act of 1972 (Section 22585 et seq.) to provide supplemental funding.

was formed under the Landscaping and Lighting Act of 1972 (Section 22585 et seq.) to provide supplemental funding.

The Landscaping and Lighting Act provides for the assessment of street lighting costs against the benefited properties within the lighting district in proportion to the benefits received. A method of distributing the street lighting costs on the basis of land use and land-use data compiled by the County Assessor was approved by the Board of Supervisors on May 22, 1979, and amended on July 22, 1997, to include government-owned or leased parcels. This report showing the approved method and the assessment units to be assessed on the various types of lots and parcels based on land usage is on file in the office of the Board of Supervisors and is made a part hereof by reference. The Fiscal Year 2008-09 Annual Engineer's Report, which lists the base-rate assessment for all zones within CLD LLA-1, and the total assessment amount to be collected from benefited parcels in each zone based on land use, is on file in the office of the Board of Supervisors and is made a part hereof by reference.

The parcels of real properties affected are shown in Appendix A, included herein. The parcels are more particularly described in a map prepared in accordance with Section 327 of the Revenue and Taxation Code, which is on file in the office of the County Assessor and is made a part hereof by reference.

We believe that it would be in the public interest to install the street lights in the designated area as requested by the signers of Petition No. 109-806, and to provide for their operation and maintenance.

PROPOSED ADDITIONAL LIGHTS FOR COUNTY LIGHTING MAINTENANCE DISTRICT 1687 AND COUNTY LIGHTING DISTRICT LLA-1. UNINCORPORATED ZONE

**COUNTY OF LOS ANGELES  
DEPARTMENT OF PUBLIC WORKS  
ENGINEER'S REPORT  
PETITION NO. 58-407  
(TELECHRON AVENUE)**

On May 6, 2008, the Los Angeles County Board of Supervisors adopted a Resolution Initiating Proceedings for the annexation of territory to County Lighting Maintenance District (CLMD) 1687 and County Lighting District (CLD) LLA-1, Unincorporated Zone, pursuant to the California Streets and Highways Code Landscaping and Lighting Act of 1972, for the purpose of providing for the cost of installing, operating, and maintaining three street lights on new or existing wood poles within the annexed territory, as shown on the diagram, plan and specifications attached hereto. In addition, the Department of Public Works was ordered to prepare and file an Engineer's Report in accordance with Section 22565 et seq. of the California Streets and Highways Code and Article XIII D, Section 4(b) of the California Constitution. This report was prepared in response to that directive.

The annual operating cost of \$328 for the 1-22,000 lumen and 1-16,000 lumen high pressure sodium vapor street lights will be funded by CLMD 1687 and CLD LLA-1, Unincorporated Zone. An annual assessment for the operation and maintenance of the street lights of \$5 per parcel for a single-family home, with proportionately higher assessments for other land uses, based on the approved Fiscal Year 2008-09 Annual Engineer's Report for CLD LLA-1 is proposed to be added to the Fiscal Year 2009-10 tax bill of property owners whose parcels lie within the boundaries of Petition No. 58-407. Each year thereafter, an annual assessment for the operation and maintenance costs of the street lights, approved by the County of Los Angeles Board of Supervisors, will be added to the property tax bill.

With the passage of Proposition 218 (the Right to Vote on Taxes Act) by the California voters in November 1996, the levying of an assessment is now subject to certain provisions under Article XIII D of the California Constitution. This report conforms with the applicable provisions of Proposition 218.

CLMD 1687 is an established Street Lighting District and was fully funded from ad valorem property taxes prior to the passage of Proposition 13 (The People's Initiative to Limit Property Taxation) in 1978, which limited the maximum amount of ad valorem tax on real property. The ad valorem property taxes received under the guidelines established by the State Legislature subsequent to the passage of this amendment are not sufficient to pay the cost of street lighting in the District. Therefore, CLD LLA-1 was formed under the Landscaping and Lighting Act of 1972 (Section 22585 et seq.) to provide supplemental funding.

The Landscaping and Lighting Act provides for the assessment of street lighting costs against the benefited properties within the lighting district in proportion to the benefits received. A method of distributing the street lighting costs on the basis of land use and land-use data compiled by the County Assessor was approved by the Board of Supervisors on May 22, 1979, and amended on July 22, 1997, to include government-owned or leased parcels. PROPOSED ANNEXATION AND INSTALLATION OF ADDITIONAL STREET LIGHTS FOR COUNTY LIGHTING MAINTENANCE DISTRICT 1687 AND COUNTY LIGHTING DISTRICT LLA-1, UNINCORPORATED ZONE.

**COUNTY OF LOS ANGELES  
DEPARTMENT OF PUBLIC WORKS  
ENGINEER'S REPORT  
PETITION NO. 1-107  
(ANOLA STREET)**

On October 2, 2007, the Los Angeles County Board of Supervisors adopted a Resolution Initiating Proceedings for the annexation of territory to County Lighting Maintenance District (CLMD) 1687 and County Lighting District (CLD) LLA-1, Unincorporated Zone, pursuant to the California Streets and Highways Code Landscaping and Lighting Act of 1972, for the purpose of providing for the cost of installing, operating, and maintaining eight street lights on new or existing wood poles within the territory proposed for annexation, as shown on the diagram, plan and specifications attached hereto. In addition, the Department of Public Works was ordered to prepare and file an Engineer's Report in accordance with Section 22565 et seq. of the California Streets and Highways Code and Article XIII D, Section 4(b) of the California Constitution. This report was prepared in response to that directive.

The annual operating cost of \$1,018 for the 8-9,500 lumen high pressure sodium vapor street lights will be funded by CLMD 1687 and CLD LLA-1, Unincorporated Zone. An annual assessment for the operation and maintenance of the street lights of \$5 per parcel for a single-family home, with proportionately higher assessments for other land uses, based on the approved Fiscal Year 2008-09 Annual Engineer's Report for CLD LLA-1 is proposed to be added to the Fiscal Year 2009-10 tax bill of property owners whose parcels lie within the boundaries of Petition No. 1-107. Each year thereafter, an annual assessment for the operation and maintenance costs of the street lights, approved by the County of Los Angeles Board of Supervisors, will be added to the property tax bill.

With the passage of Proposition 218 (the Right to Vote on Taxes Act) by the California voters in November 1996, the levying of an assessment is now subject to certain provisions under Article XIII D of the California Constitution. This report conforms with the applicable provisions of Proposition 218.

CLM District 1687 is an established Street Lighting District and was fully funded from ad valorem property taxes prior to the passage of proposition 13 (The People's Initiative to Limit Property Taxation) in 1978, which limited the maximum amount of ad valorem tax on real property. The ad valorem property taxes received under the guidelines established by the State Legislature subsequent to the passage of this amendment are not sufficient to pay the cost of street lighting in the District. Therefore, CLD LLA-1 was formed under the Landscaping and Lighting Act of 1972 (Section 22585 et seq.) to provide supplemental funding.

The Landscaping and Lighting Act provides for the assessment of street lighting costs against the benefited properties within the lighting district in proportion to the benefits received. A method of distributing the street lighting costs on the basis of land use and land-use data compiled by the County Assessor was approved by the Board of Supervisors on May 22, 1979, and amended on July 22, 1997, to include government-owned or leased parcels. This report showing the approved method and the assessment units to be assessed on the various types of lots and parcels based on land usage is on file in the office of the Board of Supervisors and is made a part hereof by reference. The Fiscal Year 2008-09 Annual Engineer's Report, which lists the base-rate assessment for all zones within CLD LLA-1, and the total assessment amount to be collected from benefited parcels in each zone based on land use, is on file in the office of the Board of Supervisors and is made a part hereof by reference.

The parcels of real properties affected are shown in Appendix A, included herein. The parcels are more particularly described in a map prepared in accordance with Section 327 of the Revenue and Taxation Code, which is on file in the office of the County Assessor and is made a part hereof by reference.

We believe that it would be in the public interest to install the street lights in the designated area, as requested by the signers of Petition No. 1-107, and to provide for their operation and maintenance.

In addition, the Department of Public Works was ordered to prepare and file an Engineer's Report in accordance with Section 22565 et seq. of the California Streets and Highways Code and Article XIII D, Section 4(b) of the California Constitution. This report was prepared in response to that directive.

The annual operating cost of \$2,458 for the 14-22,000 high pressure sodium vapor street lights will be funded by CLMD 1687 and CLD LLA-1, Unincorporated Zone. An annual assessment for the operation and maintenance of the street lights of \$5 per parcel for a single-family home, with proportionately higher assessments for other land uses, based on the approved Fiscal Year 2008-09 Annual Engineer's Report for CLD LLA-1 is proposed to be added to the Fiscal Year 2009-10 tax bill of property owners whose parcels lie within the boundaries of Petition No. 43-307. Each year thereafter, an annual assessment for the operation and maintenance costs of the street lights, approved by the County of Los Angeles Board of Supervisors, will be added to the property tax bill.

With the passage of Proposition 218 (the Right to Vote on Taxes Act) by the California voters in November 1996, the levying of an assessment is now subject to certain provisions under Article XIII D of the California Constitution. This report conforms with the applicable provisions of Proposition 218.

CLMD 1687 is an established Street Lighting District and was fully funded from ad valorem property taxes prior to the passage of Proposition 13 (The Peoples Initiative to Limit Property Taxation) in 1978, which limited the maximum amount of ad valorem tax on real property. The ad valorem property taxes received under the guidelines established by the State Legislature subsequent to the passage of this amendment are not sufficient to pay the cost of street lighting in the District. Therefore, CLD LLA-1 was formed under the Landscaping and Lighting Act of 1972 (Section 22585 et seq.) to provide supplemental funding.

The CLD LLA-1 provides for the assessment of street lighting costs against the benefited properties within the lighting district in proportion to the benefits received. A method of distributing the street lighting costs on the basis of land use and land-use data compiled by the County Assessor was approved by the Board of Supervisors on May 22, 1979, and amended on July 22, 1997, to include government-owned or leased parcels. This report showing the approved method and the assessment units to be assessed on the various types of lots and parcels based on land usage is on file in the office of the Board of Supervisors and is made a part hereof by reference. The Fiscal Year 2008-09 Annual Engineer's Report, which lists the base-rate assessment for all zones within CLD LLA-1, and the total assessment amount to be collected from benefited parcels in each zone based on land use, is on file in the office of the Board of Supervisors and is made a part hereof by reference.

The parcels of real properties affected are shown in Appendix A, included herein. The parcels are more particularly described in a map prepared in accordance with Section 327 of the Revenue and Taxation Code, which is on file in the office of the County Assessor and is made a part hereof by reference.

We believe that it would be in the public interest to install the street lights as requested by the signers of Petition No. 43-307, and to provide for their operation and maintenance.

WHEREAS, the Los Angeles County Board of Supervisors (Board of Supervisors) previously approved and filed Petition Nos. 109-806, 58-407, 160-1206, 1-107, 54-407, 118-807, and 43-307 requesting annexation of territories to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, to provide for the installation, operation, and maintenance of street lights within the annexed territories, and assessments for the costs thereof; and

WHEREAS, the Board of Supervisors on February 17, 2009, has approved the Engineer's Reports for said territories, which contains descriptions of the improvements, estimated installation and operating costs, diagrams of the territories to be annexed, and recommended assessments as required by law.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Supervisors of the County of Los Angeles, State of California, that:

SECTION 1. The public interest and convenience require, and it is the intention of the Board of Supervisors to order, the benefited territories hereinafter described, all of which territory lies in the County of Los Angeles, be annexed to County Lighting Maintenance District 1687, pursuant to Section 5837 of the Streets and Highways Code of the State of California.

SECTION 2. The public interest and convenience require, and it is the intention of the Board of Supervisors to order, the benefited territories be annexed to County Lighting District LLA-1, Unincorporated Zone, pursuant to Section 22605 of the Streets and Highways Code of the State of California.

SECTION 3. The public interest and convenience require, and it is the intention of the Board of Supervisors to order, the expense necessary for the operation, maintenance, repairs, replacement, electric current, care, supervision, and all other items necessary for the proper operation and maintenance of street lighting systems proposed within the annexed territories shall be assessed in Fiscal Year 2009-10 upon each lot or parcel of land lying within the annexed territories in proportion to the estimated benefit received from the proposed street lighting improvements, and which should be assessed to pay the expenses of the operation and maintenance of said improvements. An annual Engineer's Report, approved by your Board each fiscal year, establishes the annual base-rate assessment for all zones within County Lighting

District LLA-1. For Fiscal Year 2008-09, the annual base-rate assessment for the Unincorporated Zone is \$5 for a single-family residence, with proportionately higher assessment rates for other land uses. This annual assessment for the operation and maintenance of street lights will be added to the property tax bill of benefited parcels within the boundaries of County Lighting District LLA-1. Each year thereafter, an assessment for operation and maintenance costs, approved by the Board, will be added to the property tax bill.

The Engineer's Report, prepared for each petitioned area, contains a full and detailed description of the proposed improvements; a description of the lots or parcels of land to be annexed; the estimated costs of operation and maintenance; a diagram of the territory to be annexed; and the recommended assessment on each lot or parcel of land included therein.

SECTION 4. The boundaries of the territories proposed for annexation consists of the areas shown on the attached maps.

SECTION 5. The proposed assessment is subject to majority approval of the property owners. A ballot and public hearing notice will be sent to all property owners within the areas proposed for annexation at least 45 days in advance of the public hearing, in the form and manner specified by Section 53753 of the Government Code. The ballots will be weighted by the amount of assessment to be paid by each property owner. The territory will not be annexed and the proposed assessment will be abandoned if the weighted majority of ballots submitted are opposed to the assessment.

SECTION 6. The amounts to be assessed for the expense of such installation, operation, and maintenance of the work or improvements described above shall be levied and collected in the same manner and by the same officers as taxes for County purposes are levied and collected.

SECTION 7. Proceedings for the levying of assessments shall be taken under and in accordance with the Landscaping and Lighting Act of 1972 (Division 15, Part 2, of the Streets and Highways Code) and Section 53753 of the Government Code.

SECTION 8. A public hearing will be held by the Board of Supervisors to consider the annexation of territories to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and the levying of assessments within the territories proposed to be annexed. Said hearing will be held on Tuesday, April 29, 2009, at 9:30 a.m., in the Hearing Room of the Board of Supervisors, Room 381, Kenneth Hahn Hall of Administration, 500 West Temple Street (corner of Temple Street at Grand Avenue), Los Angeles, California 90012.

SECTION 9. The Executive Officer of the Board of Supervisors shall give notice of the public hearing, in the form and manner specified in Section 5838 of the Streets and Highways Code, to be published once a week for two successive weeks in the \_\_\_\_\_, a newspaper published and circulated in the County of Los Angeles, which is hereby designated for that purpose. Such publication to be completed at least 10 days prior to the date of said hearing.

SECTION 10. The Executive Officer of the Board of Supervisors shall cause notice of said hearing to be posted in the form and manner specified by Section 5838 of the Streets and Highways Code, at least 10 days prior to date of hearing.

FOR 9,500 LUMEN LAMPS, THE POLE SPACING IS BASED ON 100-FOOT CANDLES. FOR "LOCAL RESIDENTIAL" STREETS, THE POLE SPACING SHALL HAVE A 25 FOOT MOUNTING HEIGHT. SHALL BE (A.N.S.I.-1-E.S.) MEDIUM FULL-CUTOFF (FLAT GLASS), TYPE III, AND EQUIPPED WITH A 100 WATT HIGH PRESSURE SODIUM VAPOR LAMP.

WHEREAS, the Director of Public Works has mailed assessment ballots and notices to property owners of identified parcels within the areas proposed for annexation, pursuant to Section 53753 of the California Code, to indicate support or opposition on the matter of the assessments; and

WHEREAS, the Executive Officer of the Board of Supervisors did cause the notice of the public hearing to be posted in three conspicuous places within the territories to be annexed, and did give notice of the public hearing by publishing once a week for two successive weeks in a newspaper of general circulation; and

WHEREAS, said Board of Supervisors has heard all testimony and evidence with regard to the annexations and levy of assessments and has tabulated all returned assessment ballots concerning the proposed assessments and has found that no majority protest exists.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Supervisors of the County of Los Angeles, that:

SECTION 1. Petition Nos. 109-806, 58-407, 160-1206, 1-107, 54-407, 118-807, and 43-307 for annexation of territories hereinafter described to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, were signed by the property owners representing 60 percent or more of the areas proposed to be annexed.

SECTION 2. The Board of Supervisors of the County of Los Angeles hereby finds that the public interest and convenience require the installation, operation, and maintenance of the street lighting improvements within the territories proposed for annexation and hereby grants the petitions.

SECTION 3. The Board of Supervisors hereby orders the annexation of territories listed in Attachment A to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, with the exception where a majority protest exists.

SECTION 4. The Board of Supervisors hereby determines that the territories identified will benefit by the annexation to County Lighting Maintenance District 1687 and County Lighting Districts LLA-1, Unincorporated Zone, and hereby orders the boundary of said districts be altered to include said benefited territories.

SECTION 5. The Diagrams and assessments, as set forth in the Engineer's Reports or as modified, are hereby approved, confirmed, and adopted by this Board.

SECTION 6. The Director of Public Works shall authorize the installation, operation, and maintenance of the street lighting improvements indicated in the Engineer's Reports.

SECTION 7. The adoption of this resolution constitutes the levying of assessments on benefited parcels identified in the Engineer's Reports, and located within Petition Nos. 109-806, 58-407, 160-1206, 1-107, 54-407, 118-807, and 43-307 for the Fiscal Year commencing July 1, 2009, and ending June 30, 2010, for the operation and maintenance of street lights located therein.

SECTION 8. The amounts to be assessed for the expense of the installation, operation, and maintenance of the improvements, as described in said Engineer's Reports and Resolution of Intention, shall be levied and collected in the same manner and by the same officers as taxes for County purposes are levied and collected and shall be disbursed and expended for installation, operation, and maintenance of said improvements, all as described in the Engineer's Reports and in the Resolution of Intention.

SECTION 9. The Executive Officer of the Board is hereby ordered and directed to file a certified copy of the Engineer's Reports, which include lighting district diagrams and assessments together with a certified copy of this resolution upon its adoption, with the County Assessor, Ownership Services Section (Attention Angela Gadsden); and with the Auditor-Controller, Tax Division (Attention Kelvin Aikens).

The foregoing Resolution Ordering Annexation was on the 28<sup>th</sup> day of APRIL, 2009, adopted by the Board of Supervisors of the County of Los Angeles and ex officio the governing body of all other special assessment and taxing districts, agencies, and authorities for which said Board so acts.

TO COUNTY LIGHTING MAINTENANCE DISTRICT 1687**

WHEREAS, pursuant to Section 99.01 of the Revenue and Taxation Code, prior to the effective date of any jurisdictional change that will result in a special district providing one or more services to an area where those services have not previously been provided by any local agency, the special district and each local agency that receives an apportionment of property tax revenue from the area must negotiate an exchange of property tax increment generated in the area subject to the jurisdictional change and attributable to those local agencies; and

WHEREAS, the Board of Supervisors of the County of Los Angeles, acting on behalf of the County Lighting Maintenance District 1687, the Los Angeles County General Fund, the Los Angeles County Library, the Los Angeles County Road District No. 1, the Consolidated Fire Protection District of Los Angeles County, the Los Angeles County Flood Control Drainage Improvement District, and the Los Angeles County Flood Control District; the Board of Directors of the County Sanitation District No. 15 of Los Angeles County (County Sanitation District No. 15); and the Board of Directors of the Upper San Gabriel Valley Municipal Water District have determined that the amount of property tax revenue to be exchanged between their respective agencies as a result of the annexation proposal identified as Petition No. 109-806 to County Lighting Maintenance District 1687 is as shown on the attached Property Tax Transfer Resolution Worksheet.

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

1. The negotiated exchange of property tax revenues between the County Lighting Maintenance District 1687, the Los Angeles County General Fund, the Los Angeles County Library, the Los Angeles County Road District No. 1, the Consolidated Fire Protection District of Los Angeles County, the Los Angeles County Flood Control Drainage Improvement District, the Los Angeles County Flood Control District, the County Sanitation District No. 15, and the Upper San Gabriel Valley Municipal Water District resulting from the annexation proposal identified as Petition No. 109-806 to County Lighting Maintenance District 1687 is approved and accepted.

2. For fiscal years commencing on or after July 1, 2007, or the July 1 after the effective date of this jurisdictional change, whichever is later, the property tax revenue increment generated from the area within Petition No. 109-806 (Tax Rate Area 04440), shall be allocated to the affected agencies as indicated in the enclosed Property Tax Transfer Resolution Worksheet.

3. No transfer of property tax revenues other than those specified in Paragraph 2 shall be made as a result of annexation of Petition No. 109-806.

4. If at any time after the effective date of this Resolution, the calculations used herein to determine initial property tax transfers or the data used to perform those calculations are found to be incorrect, thus producing an improper or inaccurate property tax transfer, the property tax transfer shall be recalculated and the corrected transfer shall be implemented for the next fiscal year, and any amounts of property tax received in excess of that which is proper shall be refunded to the appropriate agency.

ANNEXATION OF PETITION NO. 160-1206  
TO COUNTY LIGHTING MAINTENANCE DISTRICT 1687**

WHEREAS, pursuant to Section 99.01 of the Revenue and Taxation Code, prior to the effective date of any jurisdictional change that will result in a special district providing one or more services to an area where those services have not previously been provided by any local agency, the special district and each local agency that receives an apportionment of property tax revenue from the area must negotiate an exchange of property tax increment generated in the area subject to the jurisdictional change and attributable to those local agencies; and

WHEREAS, the Board of Supervisors of the County of Los Angeles, acting on behalf of the County Lighting Maintenance District 1687, the Los Angeles County General Fund, the Los Angeles County Library, the Los Angeles County Road District No. 4, the Consolidated Fire Protection District of Los Angeles County, the Los Angeles County Flood Control Drainage Improvement District, and the Los Angeles County Flood Control District; the Board of Directors of the Greater Los Angeles County Vector Control District; the Board of Directors of the County Sanitation District No. 18 of Los Angeles County (County Sanitation District No. 18); and the Board of Directors of the Water Replenishment District of Southern California have determined that the amount of property tax revenue to be exchanged between their respective agencies as a result of the annexation proposal identified as Petition No. 160-1206 to County Lighting Maintenance District 1687 is as shown on the attached Property Tax Transfer Resolution Worksheet.

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

1. The negotiated exchange of property tax revenues between the County Lighting Maintenance District 1687, the Los Angeles County General Fund, the Los Angeles County Library, the Los Angeles County Road District No. 4, the Consolidated Fire Protection District of Los Angeles County, the Los Angeles County Flood Control Drainage Improvement District, the Los Angeles County Flood Control District, the Greater Los Angeles County Vector Control District, the County Sanitation District No. 18, and the Water Replenishment District of Southern California resulting from the annexation proposal identified as Petition No. 160-1206 to County Lighting Maintenance District 1687 is approved and accepted.

2. For fiscal years commencing on or after July 1, 2007, or the July 1 after the effective date of this jurisdictional change, whichever is later, the property tax revenue increment generated from the area within Petition No. 160-1206 (Tax Rate Area 12001) shall be allocated to the affected agencies as indicated in the enclosed Property Tax Transfer Resolution Worksheet.

3. No transfer of property tax revenues other than those specified in Paragraph 2 shall be made as a result of annexation of Petition No. 160-1206.

4. If at any time after the effective date of this Resolution, the calculations used herein to determine initial property tax transfers or the data used to perform those calculations are found to be incorrect, thus producing an improper or inaccurate property tax transfer, the property tax transfer shall be recalculated and the corrected transfer shall be implemented for the next fiscal year, and any amounts of property tax received in excess of that which is proper shall be refunded to the appropriate agency.

APPROVING AND ACCEPTING THE NEGOTIATED EXCHANGE OF  
PROPERTY TAX REVENUES RESULTING FROM  
ANNEXATION OF PETITION NO. 54-407  
TO COUNTY LIGHTING MAINTENANCE DISTRICT 1687**

WHEREAS, pursuant to Section 99.01 of the Revenue and Taxation Code, prior to the effective date of any jurisdictional change that will result in a special district providing one or more services to an area where those services have not previously been provided by any local agency, the special district and each local agency that receives an apportionment of property tax revenue from the area must negotiate an exchange of property tax increment generated in the area subject to the jurisdictional change and attributable to those local agencies; and

WHEREAS, the Board of Supervisors of the County of Los Angeles, acting on behalf of the County Lighting Maintenance District 1687, the Los Angeles County General Fund, the Los Angeles County Library, the Los Angeles County Road District No. 4, the Consolidated Fire Protection District of Los Angeles County, the Los Angeles County Flood Control Drainage Improvement District, and the Los Angeles County Flood Control District; the Board of Directors of the Greater Los Angeles County Vector Control District; the Board of Directors of the County Sanitation District No. 21 of Los Angeles County (County Sanitation District No. 21); and the Board of Directors of the Upper San Gabriel Valley Municipal Water District have determined that the amount of property tax revenue to be exchanged between their respective agencies as a result of the annexation proposal identified as Petition No. 54-407 to County Lighting Maintenance District 1687 is as shown on the attached Property Tax Transfer Resolution Worksheet.

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

1. The negotiated exchange of property tax revenues between the County Lighting Maintenance District 1687, the Los Angeles County General Fund, the Los Angeles County Library, the Los Angeles County Road District No. 4, the Consolidated Fire Protection District of Los Angeles County, the Los Angeles County Flood Control Drainage Improvement District, the Los Angeles County Flood Control District, the Greater Los Angeles County Vector Control District, the County Sanitation District No. 21, and the Upper San Gabriel Valley Municipal Water District resulting from the annexation of Petition No. 54-407 to County Lighting Maintenance District 1687 is approved and accepted.

2. For fiscal years commencing on or after July 1, 2007, or the July 1 after the effective date of this jurisdictional change, whichever is later, the property tax revenue increment generated from the area within Petition No. 54-407 (Tax Rate Area 04390), shall be allocated to the affected agencies as indicated in the enclosed Property Tax Transfer Resolution Worksheet.

3. No transfer of property tax revenues other than those specified in Paragraph 2 shall be made as a result of annexation of Petition No. 54-407.

4. If at any time after the effective date of this Resolution, the calculations used herein to determine initial property tax transfers or the data used to perform those calculations are found to be incorrect, thus producing an improper or inaccurate property tax transfer, the property tax transfer shall be recalculated and the corrected transfer shall be implemented for the next fiscal year, and any amounts of property tax received in excess of that which is proper shall be refunded to the appropriate agency.

**JOINT RESOLUTION OF  
THE BOARD OF SUPERVISORS OF THE COUNTY OF LOS ANGELES;  
THE BOARD OF DIRECTORS OF THE ANTELOPE VALLEY RESOURCE  
CONSERVATION DISTRICT; THE BOARD OF DIRECTORS OF THE ANTELOPE  
VALLEY – EAST KERN WATER AGENCY; AND THE BOARD OF DIRECTORS OF  
THE GOLDEN VALLEY MUNICIPAL WATER DISTRICT  
APPROVING AND ACCEPTING THE NEGOTIATED EXCHANGE OF  
PROPERTY TAX REVENUES RESULTING FROM  
ANNEXATION OF PETITION NO. 43-307  
TO COUNTY LIGHTING MAINTENANCE DISTRICT 1687**

WHEREAS, pursuant to Section 99.01 of the Revenue and Taxation Code, prior to the effective date of any jurisdictional change that will result in a special district providing one or more services to an area where those services have not previously been provided by any local agency, the special district and each local agency that receives an apportionment of property tax revenue from the area must negotiate an exchange of property tax increment generated in the area subject to the jurisdictional change and attributable to those local agencies; and

WHEREAS, the Board of Supervisors of the County of Los Angeles, acting on behalf of the County Lighting Maintenance District 1687, the Los Angeles County General Fund, the Los Angeles County Library, the Los Angeles County Road District No. 5, and the Consolidated Fire Protection District of Los Angeles County; the Board of Directors of the Antelope Valley Resource Conservation District; the Board of Directors of the Antelope Valley – East Kern Water Agency; and the Board of Directors of the Golden Valley Municipal Water District have determined that the amount of property tax revenue to be exchanged between their respective agencies as a result of the annexation proposal identified as Petition No. 43-307 to County Lighting Maintenance District 1687 is as shown on the attached Property Tax Transfer Resolution Worksheets.

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

1. The negotiated exchange of property tax revenues between the County Lighting Maintenance District 1687, the Los Angeles County General Fund, the Los Angeles County Library, the Los Angeles County Road District No. 5, the Consolidated Fire Protection District of Los Angeles County, the Antelope Valley Resource Conservation District, the Antelope Valley – East Kern Water Agency, and the Golden Valley Municipal Water District resulting from the annexation proposal identified as Petition No. 43-307 to County Lighting Maintenance District 1687 is approved and accepted.

2. For fiscal years commencing on or after July 1, 2007, or the July 1 after the effective date of this jurisdictional change, whichever is later, the property tax revenue increment generated from the area within Petition No. 43-307 (Tax Rate Areas 04209 and 04212) shall be allocated to the affected agencies as indicated in the enclosed Property Tax Transfer Resolution Worksheets.

3. No transfer of property tax revenues other than those specified in Paragraph 2 shall be made as a result of annexation of Petition No. 43-307.

4. If at any time after the effective date of this Resolution, the calculations used herein to determine initial property tax transfers or the data used to perform those calculations are found to be incorrect, thus producing an improper or inaccurate property tax transfer, the property tax transfer shall be recalculated and the corrected transfer shall be implemented for the next fiscal year, and any amounts of property tax received in excess of that which is proper shall be refunded to the appropriate agency.
